# Spellathon

We are holding a **“Spellathon”** in school during the Spring term.

To launch this, children have been given spellings to learn at home. Please could parents help their children with this exercise.

4 children from each class will be selected to represent their house team (Egyptians, Greeks, Romans, Vikings).

They will be given a number of random words to spell and the team with the most correct spellings will win a Popcorn Party for their house team.

We will continue this in the Summer term.
