

RE (Come and See)

Eucharist - Relating - Memorial Sacrifice - The children will learn about remembering Jesus and his sacrifice. They will learn about the stages of the Eucharist prayer and what the symbols, actions and words represent.

Lent/Easter - Giving - Sacrifice - The children will learn about the stages before Jesus' death. They will understand how Lent is a time of giving and how Christians prepare for the celebration of Jesus' sacrifice.

Year 5 Curriculum overview Spring 2 2018

S Finbar's Catholic Primary School

Science

Materials and their properties

- Compare and group together everyday materials on the basis of their properties.
- Use knowledge of solids, liquids and gases to decide how mixtures might be separated.
- Demonstrate that dissolving, mixing and changes of state are reversible changes.
- Explain that some changes result in the formation of new materials.

English

Reading: To identify and discuss themes and conventions in and across a wide range of text.

Writing: Narrative Poetry - *The Highway Man* by Alfred Noyes. We will be looking at a range of texts and discussing the poet's language and technique to create our own narrative poem.

Grammar & Spelling: suffixes: -ing, -ed, -ence, -er

Maths

This half term we will be learning:

The children will know shape properties and will understand how to measure and identify shapes. They will be able to reflect or translate a shape into a different position or direction.

Reasoning: Explaining methods for solving problems and applying our knowledge in different situations.

History/ Geography

Trading across the World

The children will learn about world trade, globalisation and import and export. They will understand human geography such as trading between the UK, Europe and the ROW. The children will look in depth at the fair and unfair distribution of resources around the world.

PE

Games

The children will become familiar with a range of ball games and develop their skills passing and hitting a ball, varying the speed, height and direction.

Music

Cornets

- To learn how the tone of a note can be changed
- To play and perform parts in a range of solo and ensemble context with increasing accuracy and context.
- To create increasingly complicated rhythmic structures.

French

- Speak in sentences, using familiar vocabulary, phrases and basic language structures
- Listen attentively to spoken language and show understanding by joining in and responding
- Write phrases from memory

Computing

We are Web Developers

The children will know and understand how to create a website, explaining e-safety and responsible online behaviour. They will develop their research skills, understand some elements of how search engines select and rank results and question the plausibility and quality of information.

Art/ DT

Still Life - Cezanne

The children will learn about still life artwork which is capturing an arrangement of inanimate, man-made or natural objects such as flowers, fruit, vegetables etc. The children will make their own arrangement and learn techniques to design and create their own artwork.
