# "Get Caught Reading"

## What is this?

It's putting pictures on the class Twitter page.  
We would like parents to tweet pictures  
of their children reading in unusual places!

## How do you do it?

Each class has a  Twitter account where parents can upload their photos (lots of other things to see there too by the way!)

## Your class Twitter page name is:

Year 4:  @year\_St

Parents: A note of caution - you're in charge ~ make sure your child doesn't do anything dangerous!
