# Year 5 Visit to St Nicholas Academy

## Friday 15th February

Dear Parent/s

As part of our science curriculum in Year 5 we have had a guest teacher from St Nicholas Academy coming into class to do some additional science work.

We have been invited to visit St Nicholas Academy to use their science resources and carry out experiments, working scientifically.

We will leave school at 9:45 – and return in time for lunch.

Yours sincerely

Mrs J P Conley  
Headteacher
