Year 1 trip to Princes Park

Thursday 16 May

Dear Parents and Carers

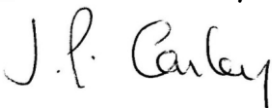

On **Thursday 16th May** - as part of our topic on tree identification, we are going to Princes Park. We will be looking at different types of trees to be able to identify their features.

We will walk to the park after lunch and will be back for home time.

Please be aware of the weather and if necessary provide a waterproof coat and sensible shoes.

If you have any queries, please speak to Miss Connor.

Yours sincerely

Mrs J P Conley
Headteacher
