# Water bottles

From January children will bring home their water bottles so these can be washed and brought back the next day. This is for hygiene reasons – as I'm sure you will be aware that unwashed bottles can contain bacteria.

We hope parents will support this change – which in time will become routine.

The best type of bottle is shown here – the built-in tube is easier to wash.  
(These can be bought in the £1 shop)

*Congratulations .... to Mrs Flynn, who gave birth to*

*baby girl on 21 November.*

*We send her our best wishes*

## CHRISTMAS JOKE CORNER

What do you call Rudolph with lots of snow in his ears?

*Anything you want, he can't hear you!*

Who hides in the bakery at Christmas?

*A mince spy!*

What do you get if you eat Christmas decorations?

*Tinsilitis!*
