For Years 3, 4 & 5

Dear Parents & Carers

Next week we have arranged for Years 3, 4 and 5 to work on a very exciting and innovative event called The Heroes Journey. This will be run by a nationally renowned organisation called humanutopia who created the project.

At the end of the sessions, which take part over three days, children will have further developed their life-skills.

If you would like more information about the organisation, their website is [www.humanutopia.com](http://www.humanutopia.com).

Photographs may be taken during the sessions and we know that some children in this group of classes are not to be photographed but it would be helpful if parents could complete and return the slip below for this particular event. *If you have no objection, there is no need to fill in the slip.*
