Year 5 Visit to St Nicholas Academy

Friday 18th May

Dear Parent/s

As part of our science curriculum in Year 5 we have had a guest teacher from St Nicholas Academy coming into class to do some additional science work.

We have been invited to visit St Nicholas Academy to use their science resources and carry out experiments, working scientifically.

We will leave school at 9:45 – and return in time for lunch.

Yours sincerely

Mrs J P Conley
Headteacher
