

September 2018

From Mrs Conley:

I would like to welcome everyone back to school.

It is good to see our children looking wonderful in their uniform. There is a term of hard work ahead with some fun bits in between. I have organised a theatre company to visit school on Friday 21st September to perform "Alice in Wonderland" - I hope children will enjoy this special treat.

I also extend a warm welcome to our new families and wish them well as they settle into their new school and in some cases their new country.

Of necessity, our September newsletter is all about the requesting of important information as well as reminding you that is for your child's safety and wellbeing in school. Please read below the notes explaining the forms you will receive, or have already received.

As always, attendance at school is vitally important and I ask for your co-operation in this by sending your children to school every day and on time.

I am usually at the school gate every morning to meet and greet and I am happy to answer quick questions at this time. However, if parents need to speak to me at length or in confidence, then please make an appointment at our Reception Desk.

Let's make this a great new academic year - for learning, attendance and punctuality.

Mrs Conley

INFORMATION FORMS

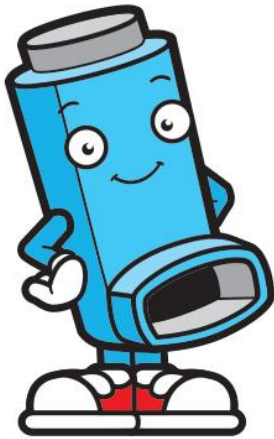

You will have received our new-style information forms last week.

These forms have been designed to comply with GDPR (General Data Protection Regulation).

We will no longer send these forms out yearly – the one you complete now will remain in place unless and until you wish to make an amendment.

Please complete and return as soon as possible.

MEDICAL INFORMATION

This is vital information for the health and wellbeing of your children whilst in school.

Please complete a medical form if your child has a medical condition we should be aware of but if not – please tick the relevant box on the

Information form mentioned above.

If your child has Asthma – please make sure we have an inhaler in school.

HOME-SCHOOL AGREEMENT

We are sending this home to all of our families. All schools issue this important and helpful document in their own format.

You, your child and school (Mrs Conley) should sign the document and return the receipt to school.

SCHOOL SUPPORT

School is here to support parents as well as children.

We have contact with CAMHS, School Health and Family Support Service plus lots of in-house help.

If you would like to know more about this please make an appointment to see Mrs Harkness.
