Harvest Time Collection & Celebration

September 2018

Autumn is the season of harvest and the time of year when we give thanks for the food we eat and consider those who are less fortunate than ourselves.

This year, we are going to celebrate harvest with a short collective worship and hamper donations to our local Food Banks.

Early Years (Nursery & Reception) will lead our celebration assembly on **Friday 19th October** which will start at **9:15 a.m.**

Refreshments will be served in the EYFS unit for *Early Years parents only* after the assembly.

We need your help! Please help us to collect food to donate to our local Food Banks – if you could choose from **the list on the back of this letter** and either bring the item to the collection point in school or give to your child to bring in. If you could also make sure the food is in date and will not go off.

This year – as part of our Early Years celebration we would like parents to bring with them an item of food which we will collect during our assembly.

Once collected, we will take the food hampers to the Food Banks to help support those who are struggling.

Thank you for your help and support.
