Attendance at an after-school club will count towards Children's University graduation.

November 2018

Aiming High in Year 2

Dear Parent/Carer

As you will be aware, your child is required to take part in Key Stage 1 statutory assessments (SATs) next year.

These tests are very important as children's results and scores are passed on to their Key Stage 2 teacher as well as secondary school when they leave.

In order to ensure that we support children to perform to the best of their ability we will be holding SATs revision classes for Maths and English **every Monday and Wednesday.**

These booster sessions will start at **3:15 p.m. until 4:00 p.m** starting next **Monday 5th November**

Previous years have shown us that children who attended Booster classes, did significantly better in their SATs tests, and were more prepared for KS2 work. This fantastic opportunity will be beneficial to your child and will be run by the Year 2 team. We cannot stress enough how valuable these sessions are and hope your child will join us.

If you have any queries please see Mrs Aslam.

Yours sincerely

Mrs J P Conley
Headteacher
