WORLD BOOK DAY CELEBRATIONS

Dear Parents/ Carers

We will be celebrating "World Book Day" on **FRIDAY 8th MARCH**.

All children and staff members are invited to dress up as a book character on the day, bringing in £1.00. All money raised will go towards buying new books for our children. A competition for most creative costume will also take place.

Part of our celebrations will include a visit to school by two renowned children's authors; Rebecca Fan-Blinston and Simon Adepetun.

On **WEDNESDAY 6th MARCH** Rebecca Fan-Blinston will be coming in to do an assembly with KS1 children. Rebecca will be selling her book, 'The Albert Dockhounds', at the price of £5.50.

On **FRIDAY 8TH MARCH** Simon Adepetun will be coming into school to undertake workshops with all children. Simon will also be selling his book, 'The Bee Hive', at the reduced price of £6.00.

If you would like to **pre-order** any of these books please let us know by returning the attached slip. **If you could return this tomorrow (Friday 1st March) the author will bring your book into school next week.**

We are looking forward so much to these author visits as they are a unique way of being able to *meet a real life living author!* OOH! We are so lucky!

**The more that you read,
The more things you will know.
The more that you learn,
The more places you'll go.**

The Albert Dockhounds

The Albert Dockhounds book is about a fun-loving Dachshund family. Daddy, who works as a docker on the Albert Dock, loves his job and Liverpool's reputation as the second greatest city of the British Empire. Dillon, his son, wants to be just like Daddy when he grows up. But when times get hard, the family have to come up with a new way to survive. Thanks to Dillon's creative idea, the family open a boutique shop on Bold Street and their family fortunes are changed forever.

The Bee Hive

Eleven-year-old Daniel Jeremiah Chambers has parents Philip and Susan who love work and shopping and who just don't listen. Daniel is an only child ... no, he's lying ... he has a sister, Alice, who has a dolly fixation; Dan is sure she is an alien. So, Dan has a few problems, none insurmountable, until his friend, Benji, introduces him to the find of the century - a derelict bee hive which could become a den. Of course, such a simple thing is never so simple and when Dan finds a map well, all kinds of things just go horribly wrong.

Please complete and return to school by Friday 1st March. Please tick the relevant box(es). If you would like more than one copy of either of the books please write down numbers required.
