## FILM MAKING COMPETITION

Childnet International have invited schools to enter a film making competition. The theme is helping to make “the internet a great and safe place for children.”

Year 5 children will take part by acting, talking and, presenting. Once completed our video will be sent to Childnet for their consideration.

Should this video be used, Childnet will need your permission – please complete and return their consent form as soon as possible.

If you have any questions – please see Miss Johnston.

Yours sincerely
