## Feast Day 3rd November

St Martin de Porres is the patron saint of people of mixed race, and of innkeepers, barbers, public health workers and more.

We also celebrate All Saints Day (1<sup>st</sup> November) and All Souls Day (2<sup>nd</sup> November)

## Thank You ...

For your kind donations to our Harvest collection. Miss Barnes and Mrs Dudley took three children to St Gabriel's Food Bank. They were overwhelmed with the donation and have since tweeted their thanks to you all.

**Thank you** ... to those parents who attended our recent Coffee Morning. Thanks also to Mr Clements for his input.

The feedback was very positive and we look forward to welcoming more parents to our next meeting.

We have invited ADDvanced Solutions Community Network to our next coffee morning. They will tell you about their community-based, learning, coaching and mentoring programmes to help you and your family to better recognise, understand and meet your individual needs, enabling you to manage the day to day challenges.

## **PARENTS' EVENINGS**

We send out appointment slips approximately two weeks before Parents' Evening to give parents the opportunity to make home arrangements and/or change their timeslot. Where possible, teachers will try to accommodate such requests.

Unfortunately some parents do not let teacher know that they won't be turning up resulting in large gaps in the appointment system which other parents could fill.

***Please always let us know if you cannot keep to your arranged time.***

## Correspondence

We are happy to provide letters of support etc. but ask that parents make their request giving 24 hours notice. Whatever the nature of the letter, it takes time to collate information.

## Telephoning school

Reception staff: Mrs Dudley and Mrs Monaghan are the first point of contact by telephone.

*They will take messages on your behalf and make appointments.*

Please be mindful when speaking to them that this is all they can, and are expected to do, when you 'phone. They are not there to be shouted at.

Please wait until you can speak calmly before telephoning school.

## Litter Problem

We have noticed a lot of litter outside of the school walls. Our children know that dropping litter on school grounds is not acceptable. With parents help, we would like to end the litter problem by encouraging children not to drop litter *anywhere*.

## Is Liverpool child-friendly – tell us what you think!

Liverpool City Council (LCC) want Liverpool to be a great place to live for everyone – and that includes young people!

LCC are working towards becoming a UNICEF UK Child Friendly City and they would love to hear what you think about Liverpool.

What's great about living here? What would make living here better? Do you think people listen to what young people have to say?

Please share your thoughts and ideas in their short seven-question survey:

[www.smartsurvey.co.uk/s/childfriendlyliverpool2019/](http://www.smartsurvey.co.uk/s/childfriendlyliverpool2019/)

They'll use what you tell then to decide on the most important issues that will improve Liverpool for young people.

And don't worry, they won't tell anyone else what you tell them. Also, they don't need to know your name or any other details about you – they just would love to hear what you think!

If you have questions you can email: [cfc@liverpool.gov.uk](mailto:cfc@liverpool.gov.uk)

## Dates for your Diary

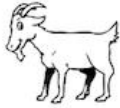

| November  |                  |  |

## Picture Puzzler

If you find the correct letter that is in each clue, you'll spell a word that should make you happy!

1. Find a letter that is in  but not in  \_\_\_\_\_
2. Find a letter that is in  but not in  \_\_\_\_\_
3. Find a letter that is in  but not in  \_\_\_\_\_
4. Find the letter that is in  but not in  \_\_\_\_\_
5. Find a letter that is in  but not in  \_\_\_\_\_

Write your letters again here to spell a happy word: \_\_\_\_\_

Knock, knock.  
Who's there?  
Avenue.  
Avenue who?

Avenue knocked on this door before?

What is the value  
of Square ?

$$\square + \bigcirc = 10$$

$$\triangle + \triangle = 6$$

$$\triangle + \bigcirc = 5$$

Two hedgehogs are in the middle of the road and they're by a zebra crossing. One says, "Don't cross here!"

The other one says, "Why not?"

The first one says, "Look what happened to this zebra!"

Q: How does the man in the moon cut his hair?

A: Eclipse it.
