IMPORTANT INFORMATION

DOES THIS AFFECT YOU?

Dear Parents & Carers

Given the current economic position and number of increased redundancies, it is possible that your circumstances have changed and that your child/ren may become eligible for Free School Meals after we have closed.

If this affects you – please read the information from Liverpool City Council below:

Information for parents/Carers: Free School Meals –

If your circumstances change and you think your child is eligible for free school meals after the schools close for the summer break you need to apply for FSMs using the link below

<https://liverpool.gov.uk/communities-and-safety/emergency-planning/coronavirus/schools-and-education/free-school-meal-vouchers/>

If you are eligible, you will receive a notification confirming this. During school's summer holiday period, you will be sent vouchers by Liverpool City Council on a fortnightly basis.
