Other members of their household can stop self-isolating.</li> <li>• If someone tests positive, they should follow Government guidance and must continue to self-isolate for at least 10 days from the start of their symptoms. The 10-day period starts from the day they first became ill. If they still have a high temperature, they should keep self-isolating until temperature returns to normal.</li> </ul> <p>The school understands how to contact the local Public Health England Health Protection Team in the event of a positive test result for a member of staff or pupil: <a href="https://www.gov.uk/guidance/contacts-phe-health-protection-teams">https://www.gov.uk/guidance/contacts-phe-health-protection-teams</a>. The Health Protection Team will provide the specific advice and guidance the school is to follow in the event of a positive test result.</p> <p>If necessary a 'bubble' will be sent home and advised to isolate in line with guidance.</p> <p>LCC letter templates will be used to inform relevant parties accordingly.</p>	L*
