This letter is about our **READING PROCESS**

- We will continue to send home a **guided reading book** and a **reading for pleasure book**. You will be able to tell the difference, as the guided reading book will be logged in your child's reading record.

Guided Reading Book:

To support your child it is vital that you listen to your child read the **guided reading book** and ask them questions to help them to develop their comprehension. Younger children may need help to decode the words using phonics.

Please fill in the reading record and read with your child as often as possible. It is a great way to communicate with the class teacher.

Reading for Pleasure Book:

The **reading for pleasure book** is for enjoyment purposes, to be looked at and enjoyed in the child's leisure time. This book should be read after the **guided reading book**.
