3 May 2021

To Reception Parents & Carers

"The more that you  
read, the more things  
you will know. The  
more that you learn,  
the more places you'll  
go." -Dr Seuss

This letter is about our **READING PROCESS**

- We will continue to send home 2 **guided reading books** each week. The guided reading book will be logged in your child's reading record.

### Guided Reading Book:

To support your child it is vital that you listen to your child read the **guided reading book** and ask them questions to help them to develop their comprehension. The guided reading books that are sent home match the phonemes that the children are learning in school.

Please fill in the reading record and read with your child as often as possible. It is a great way to communicate with the class teacher. **Reading books need to go between home and school in a book bag. These are available to buy from the office.**
