The Wednesday Word

This used to be sent home weekly and we know some of our parents liked to read it – this is available on our school website and is updated weekly.

NSPCC Fund-raiser -

Thank you to everyone who took part in our fundraiser for the NSPCC on Friday 7 May.

We raised £105

Congratulations to Dottie Lavelle in Reception

Dottie won the £20 Attendance Treat Day Voucher raffle – her name was first out of the hat, pulled out by Khalil in Year 5. Well done Dottie!

Those children who achieved 100% attendance and punctuality enjoyed their treat day!

First Holy Communion meetings:

These meetings for children will be held in school by Mrs Conley. A schedule of dates has been sent home but here is a reminder:

Thursdays from 3:30 to 4:15 p.m.
20th, 27th May. 10th, 17th, 24th June. 1st, 8th, 15th July

IMPORTANT! E-SCOOTER – Message from Liverpool City Council

There is a lot of confusion regarding the use of E-scooters on our roads across Merseyside. Liverpool has been nominated as one of several cities to **trial the rental orange e-scooters** operated by VOI and they have been given a temporary VSO (vehicle special order) to allow them to operate and riders to ride E-scooters legally.

It is important to understand that Private E-scooters (i.e. any scooters **not** operated by VOI) have not been given a VSO and are therefore **illegal to use** except on private land and then, only with landowner's permission.

With regards to the VOI trial scooters, there are strict conditions attached to their use as they are classed as motor vehicles

- The person who hires the e-scooter must be 18 and have a UK driver's licence.
- The company renting the vehicle must have insurance for the person hiring.
- **The person must follow traffic laws whilst in control of a rental e-scooter.**
- E-scooters travel at around maximum speed of 15.5 mph
- **The person hiring must keep to the terms of the rental scheme**

In the case of privately owned E-Scooters:

- They **cannot be used** on the roads or public spaces.
- They **can only be used on private land with the permission of the landowner.**
- Some private E-scooters can travel more than 40mph
- You cannot get insurance to use these on the road.
- These can be seized by police for no insurance or the rider having no licence.

There have been road traffic collisions involving e-scooters and we want to keep people safe on our roads. The rider of the rental E-scooters may be fined if found committing traffic offences and be given points on their licences.

If you have any issues, or witness any incidents you can contact VOI directly on 0800-3768179 or support@voiapp.io Road Safety Team Liverpool City Council
