26<sup>th</sup> January 2026

Dear Parent/Carer

We are delighted to share some exciting news regarding our school library. As part of our ongoing commitment to fostering a love of reading, we are currently in the process of **refreshing and updating our book collection**.

To make room for new titles and modern resources, we have been busy "weeding" our current shelves. As a result, we have a large number of well-loved books that are no longer required by the school but are still in great condition for home reading.

### Join Our After-School Book Sale

Rather than recycling these books, we would love for them to find a second home with our children. We will be holding a book sale on the following dates:

**Date:** Friday 30th January  
**Time:** 3.20 pm  
**Location:** School Playground

### Pricing and Payments

To make these books as accessible as possible, we will be selling them at a cost of:

**Price:** From 20p to £1

**Note:** Please bring small change where possible. All funds raised from this sale will go directly back into purchasing brand-new titles and comfortable seating for our revamped library space.

We believe this is a wonderful opportunity for children to build their own personal libraries at home while supporting the school's goal of creating a modern, inspiring reading environment.

Thank you for your continued support of our school and our young readers.

Yours sincerely

**Mrs J Conley**
