26<sup>th</sup> January 2026

Dear Parent/Carer

### **We're taking part in NSPCC Number Day!**

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 6<sup>th</sup> February 2026**.

### **Making maths meaningful**

Number Day is a wonderful opportunity to make maths fun and encourage a positive 'can-do' attitude towards the subject. We have planned a range of exciting maths activities throughout the day and pupils are invited to join in and 'Dress as a Digit'.

Children can wear any items of clothing featuring a number e.g. a football shirt, cap, netball top etc. Please do not buy anything new, homemade or creative maths-themed outfits are also very welcome.

To help raise money for the NSPCC, we kindly ask for a **£1 donation**. Please send this into school in a sealed envelope and pass it to our office staff.

### **Supporting the NSPCC**

We are really looking forward to all the fun of Number Day and greatly appreciate your support.

The NSPCC needs our help more than ever. Funds raised will support their vital services, including Childline, which is available to children and young people day and night - on average, a child contacts Childline every 25 seconds.

You can find out more about the NSPCC's work or about keeping children safe online at [www.nspcc.org.uk](http://www.nspcc.org.uk)

Yours sincerely

**Mrs J Conley**
