

Spiritual

MFL supports spiritual development by encouraging children to reflect on their lives and ask questions in Spanish.

Through MFL, we encourage children to relish and enjoy challenge, and show resilience and persistence. MFL lessons develop self-confidence and self-esteem, encouraging children to respect themselves and others.

Moral

MFL supports moral development by encouraging children to express themselves with confidence in another language.

MFL provides opportunities to explore and respect other cultures and discuss the moral issues of those cultures, such as bullfighting.

Social

MFL supports social development by encouraging children to cooperate and work well together, respectfully exchanging opinions with others in Spanish.

We expect children to show excellent behaviour, and we aim to develop their understanding of the positive impact of learning a different language.

Cultural

MFL supports cultural development by exploring a range of cultures and beliefs through authentic experiences such as weekly lessons from a native Spanish speaker.

We respect traditions of other cultures and learn about similarities and differences between our cultures.
