

Spiritual

Art supports spiritual development by providing many opportunities for children to think about, reflect on and enjoy the culture and diversity of artists now and throughout history.

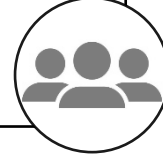

Moral

Art supports moral development by enabling children to relish the chance to explore through art other cultures, confidently express opinions and views and respect the views and values of others.

Social

Art supports social development by exposing children to the power of collaborative art projects which has lead to some beautiful pieces of art work that has been displayed in galleries and around school. Art encourages children to make a cultural or artistic contribution to society through art projects or awards.

Cultural

Art supports cultural development by exploring a rich range of cultures and beliefs through authentic experiences, developing community links through art projects and awards and ensuring children are open to new ideas and beliefs.
